EMAIL AUTOMATION

The screenshot displays an email automation editor. On the left, the 'Email 1' draft is visible, featuring a subject line 'Just 10 slots left!', a 'Pick email template' dropdown, and a rich text editor with various formatting options. The main content of the email includes a personalized greeting 'Hey {{contact.first_name}}', a call to action to start the 'FREE 4 Week Kids Challenge', a list of class options with links, and a closing note 'Speak soon! Michael Pam's Black Belt Champions'. A '75 WORDS POWERED BY TWY' indicator is at the bottom. On the right, a preview of the email shows the rendered version with the same content, including the personalized name and the list of class options.

LEAD FOLLOWUP AUTOMATION

The screenshot shows a lead follow-up automation sequence. It consists of three messages:

- 0 Minutes:** An SMS message with the same content as the email draft, including the personalized greeting and class options.
- 1 Hour:** An email message with the subject 'Just 10 slots left!'.
- 1 Hour:** A call message with the instruction 'Send when the time is Mon, Tue, Wed, Thu between 9:00 AM and 9:00 PM'.

 Each message card includes 'Edit' and 'Remove' options and a 'Send after' dropdown menu with a timer (e.g., 0 minutes, 1 hour). A question mark icon is visible in the bottom right corner of the sequence view.
